

DOES YOUR PARTNER, FAMILY MEMBER OR CARER:

Put you down, criticise you or make you feel worthless?

Pressure you into sexual acts you don't want to do?

Always check up on what you're doing and where you're going?

Keep you from having your own money or control how you spend money?

Stop you from expressing your identity e.g. gender expression, sexuality?

Threaten or stop you from seeing friends and family?

Scare or hurt you by being violent e.g. hitting, driving dangerously, smashing things?

Monitor your phone/devices, or force access to your private accounts e.g. social media, email?

Threaten to harm you if you say you want to leave the relationship?
